

January 2017

14-19 Curriculum Pathways Evening – Thursday 2nd February 2017 (6.00-8.00pm)

Dear Parent/Carer

This term we are starting the process which will lead to your child choosing the subjects that they will be studying in Years 10 and 11.

It is compulsory that all students take English, Science and Maths. They must also take the non-examined subjects of Social, Moral, Spiritual and Cultural Education (SMSC), PE and Games. The rest of their timetable will be made up of Option Subjects.

There will be an opportunity to discuss your child's subject options at our 'Curriculum Pathways Evening' on Thursday, 2nd February between 6.00 – 8.00 pm. There will be a presentation at 6.00pm in the Senior Hall where the option forms and booklets will be distributed and explained.

Following this will be the opportunity to talk to the Heads of Departments, staff and students from all of the subject areas we offer. An Advice Centre will be based in the library for wider questions regarding issues such as Careers.

The deadline for the return of the completed options form is Thursday 9th February.

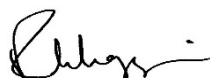

The Options process allows a student and their parents, with advice from staff, to choose the most suitable subjects that will ensure an enjoyable and successful next two years of their secondary education. The best decisions are informed ones, and this evening is a great opportunity to gather the necessary information required.

We hope you are able to attend and we look forward to seeing you there.

Yours sincerely

Miss J Hurley
Head of Year 9

Mr R J Higginson
Senior Assistant Head
