

Dear Parent/Carer

December 2016

PROGRESS REPORT: YEAR 10

The enclosed Autumn Progress Report gives you an indication of your child's attainment and attitude to learning within each subject. Each child's **attendance** for the year to date is given at the bottom of the report. We encourage high levels of attendance as this is a crucial factor in academic success at school.

The majority of GCSE grades are displayed as 9 (high) to 1 (low), as this is how those subjects will be graded in summer 2018. Business, Media, Sociology and DT subjects are still graded as the familiar A*-G. *A rough guide of grade equivalences is displayed here for your information.*

The **Current Grade** is a teacher assessment of the grade that your child is currently working at, taking into account exam performance, controlled assessments, coursework, etc.

The **Most Likely Grade** is a professional prediction by the teacher, of your child's most likely grade at the end of Year 11. This is reliant on your child continuing to progress as they are at the moment. The grades are colour coded to give an indication of how the grade compares to an aspirational target for each student. The targets are based upon your child's Key Stage 2 tests, to ensure that over their 5 years of secondary schooling, they make strong progress.

The **Attitude to Learning** comment relayed in the report gives an indication of your child's approach to study. This takes in to account their behaviour, effort, organisation, engagement and desire to learn.

If you require any more detail, please do not hesitate to contact the school:

Thank you for your continued support.

Yours sincerely
